Save The Model

Date	10 November 2022
Team ID	PNT2022TMID46670
Project Name	AI-Powered Nutrition Analyzer for Fitness Enthusiasts

Save the model

The model is saved with .h5 extension as follows
An H5 file is a data file saved in the Hierarchical Data Format (HDF). It
contains multidimensional arrays of scientific data.

```
### Saving our model

# Save the model
classifier.save('nutrition.h5')
```
